Uniform Order Form

W.I.S.P.S understands that in this economic time expense is at the forefront of people minds, therefore the purchasing of uniform is not compulsory.

W.I.S.P.S do recommend purchasing uniform as this helps to identify children, especially when participating in outings/visits, whilst helping the children recognise that they are attending an educational provision.

Should you wish to order uniform please state your order below and return in a sealed envelope, labelled 'Uniform Order'. Cash payment is due when you place your order.
